

COFFEE SHOP SALE

The main objective of this project is to analyze retail sales data to gain actionable insights that will enhance the performance of the Coffee Shop

- **How do sales vary by day of the week and hour of the day?**
- **Are there any peak day for sales activity?**
- **What is the total sales revenue for each month?**
- **How do sales vary across different store locations?**

- **What is the average price/order per person**
- **Which products are the bestselling in terms of quantity and revenue?**
- **How do sales vary by product category and type?**
- **Which product are best selling in term of quantity revenue?**
